INDUSTRIES DEPARTMENT

NOTIFICATION

Simla-171002, the 16th September, 1981

No. 4-15/71-SI(AR)-FC-II.—The Governor of Himachal Pradesh is pleased to order publication of 14th Annual Report (1980-81) of the H.P. Financial Corporation in the Official Gazette as required under sub-section (3) of section 38 of the State Financial Corporation Act, 1951.

By order,
R. K. ANAND,
Commissioner-cum-Secretary.

ANNUAL REPORT OF THE BOARD OF DIRECTORS
OF THE
HIMACHAL PRADESH FINANCIAL CORPORATION

for the year ended 31st March, 1981

(Under Section 36 of the State Financial Corporations Act, 1951)

The Board of Directors present herewith their Fourteenth Annual Report on the working of the Corporation during the year ended 31st March, 1981 together with the audited statement of accounts for the year ended 31st March, 1981.

Economic Review:

The economy of the country which was severely affected by drought conditions during, 1979-80 witnessed favourable trends during, 1980-81. The economy of the State which had also received a set back by the severe drought and recorded a decline of 5.5 per cent during 1979-80 was able to recoup during 1980-81 to a small extent. The year witnessed again a marked rise in prices. The most significant inflationary impulses originated from a few commodities notably crude oil, petroleum products, sugar, khandasari and gur. The rising trend was, however, arrested. There was, however, considerable improvement in the price trend after November, 1980. The national income during, 1979-80 recorded a growth of, 11 per cent at current prices. However, the national income in real terms declined by 5 per cent over that of the previous year. The fall recorded was the biggest since, 1965-66 and is mainly due to shortfall in the production in the agriculture sector by 12.7 per cent. The economic phenomenon of higher rate of growth of 11 per cent at current prices and a fall of 5 per cent at constant prices is attributed to the substantial rise in prices during the year. The income of the State at current prices increased from Rs. 523 crores to Rs. 542 crores. The per capita income in the Pradesh is estimated at Rs. 1,317 against Rs. 1,379 for the country as a whole. The State continued to make progress towards optimum industrialisation. During the year under review, the State Government approved 53 projects in the medium and large sector having capital investment of Rs.133 crores. The State Government also announced its liberalised policy for grant of incentives to industries set up/being set up in the Pradesh.

Accounts:

The gross income of the Corporation for the year amounted to Rs. 1,28,21,334 as against Rs. 1,04,08,369 for the previous year and net profit amounted to Rs. 24,04,499 as against Rs. 21,18,369 for the previous year, depicting an increase of 13.5% over the profits of the previous year as against the decrease of 32.5% during the previous year. This profit has been arrived at after accounting for all normal administrative and other expenses, bond issues as well as depreciation. It would be observed that the declining trend in the profits of the Corporation has been arrested during the year under report. The Corporation has been able to show better results on account of increased business both in the matter of sanction and disbursement of loans. The profits have also increased

inspite of increase in interest and borrowings, administrative expenses and other promotional work and publicity etc. and inspite of the fact that interest amounting to Rs. 36.32 lacs (Rs. 27.57 lacs during the previous year) on sticky loans where no amount has been received for four consecutive instalments, has not been credited to income account. The profit of Rs. 24,04,499 has been appropriated as follows:

	Rs.
Net profit	24,04,499
Less:	
(a) Transfer to Special Reserve under section 36(i)(viii) of Income Tax Act, 1961	6,92,642
(b) Provision for taxation	10,23,812
(c) Transfer to Reserve for bad and doubtful debts	3,75,795
(d) Transfer to General Reserve	—
Balance available for payment of guaranteed dividend	3,12,250

The income and profits of the Corporation for the last three years have been as follows:—

	1978-79 Rs.	1979-80 Rs.	1980-81 Rs.
Gross Income	96,68,957	1,04,08,689	1,28,21,334
Less: Interest on sticky accounts not charged	12,11,143	27,57,363	36,32,411
	84,57,814	76,51,326	91,88,923

Less:

(a) Interest paid on borrowings and bonds	41,60,500	41,65,647	50,20,492
(b) Management expenses	11,62,567	13,67,310	17,63,932
(c) Profit (before taxation)	31,34,747	21,18,369	24,04,499

After making the appropriation as above, the net amount required for payment of guaranteed dividend at the rate of 3% per annum on 61,000 shares of Rs. 100 each, at the rate of 3-1/2% per annum on 35,000 shares of Rs. 100 each, at the rate of 3-1/2% per annum on 31,945 shares of Rs. 100 each (with effect from 12th March, 1981 to 31st March, 1981) and at the rate of 3-1/2% per annum on 5,000 shares of Rs. 100 each (with effect from 19th March, 1981 to 31st March, 1981) is Rs. 3,12,250, which amount is available out of our net profits. A statement showing figures of net profits and their appropriations since inception of the Corporation is furnished at Appendix-A.

Reserves:

The sum total of Reserves held by the Corporation as on 31st March, 1980 stood at Rs. 100.81 lacs which comprise of the following:

	Rs.
(i) General Reserve under Section 35 of the State Financial Corporations Act, 1951	4,39,089
(ii) Special Reserve under Section 35A of the State Financial Corporations Act, 1951	22,45,614
(iii) Reserve for bad and doubtful debts	15,47,523
(iv) Special Reserve under Section 36(i)(viii) of income-tax Act, 1961	58,49,163
Total	100,81,389

As the total amount in the reserve fund under Section 35A of the State Financial Corporations Act, 1951 does not exceed 25% of the paid-up capital, the dividend for the year under report accruing on the shares of the State Government and the Industrial Development Bank of India shall be transferred to the same. The position regarding various Reserve Funds as on 31st March, 1981 after appropriating the profits for the year under report is as under:—

	Rs.
(i) General Reserve under Section 35 of the State Financial Corporations Act, 1951 ..	4,39,088
(ii) Special Reserve under Section 35A of the State Financial Corporations Act, 1951 ..	22,45,614
(iii) Reserve for bad and doubtful debts	19,23,318
(iv) Special Reserve under Section 36(i) (viii) of Income-tax Act, 1961 ..	65,41,805
Total ..	1,11,49,825

The total reserves are Rs. 111.50 lacs against Rs. 100.81 lacs as on 31st March, 1980. Further an amount of Rs. 2,98,945 shall be added to reserve fund under Section 35A of State Financial Corporations Act, 1951 after the dividend has been declared at the Annual General Meeting in June, 1981. The total reserves will, therefore, amount to Rs. 114.49 lacs which would be 68.6% of the paid-up capital of Rs. 166.94 lacs as against 77.5% of the paid-up capital of Rs. 130.00 lacs in the previous year.

RESOURCES

Share Capital:

The authorised capital of the Corporation was raised from Rs. 200.00 lacs to Rs. 1000.00 lacs during the year under report. The Industrial Development Bank of India conveyed its willingness voluntarily to bring its shareholdings at par with the State Government and accordingly, the issued, subscribed and paid-up capital was raised from Rs. 130.00 lacs to Rs. 166.94 lacs during the year under report. There has been no change in the ownership pattern of shares of the Corporation held by the various categories of shareholders during the year under report. The distribution of shares as on 31st March, 1981, was as follows:—

	No. of shares held	Percentage of the total
(i) Himachal Pradesh Government ..	81,255	48.67
(ii) Industrial Development Bank of India ..	81,255	48.67
(iii) Scheduled Banks, Co-operative Banks, Insurance Companies, Investment Trusts and other financial institutions ..	4,050	2.43
(iv) Parties other than those referred to in item No. (i) (ii) and (iii) above ..	385	0.23
Total ..	1,66,945	100.00

Bonds:

The liquidity position of the Corporation was maintained at a satisfactory level during the year under report and thus the Corporation did not resort to issue of bonds.

Refinance:

The main sources of funds of the Corporation, besides the recovery of instalments of loans and interest from borrowers, was the refinance facility from the Industrial Development Bank of India. During the year under report, refinance to the extent of Rs. 749.51 lacs (Rs. 218.83 lacs

during the previous year) in respect of 113 proposals was got sanctioned. The Corporation availed of refinance to the extent of Rs. 291.61 lacs (Rs. 164.73 lacs in the previous year). It would be observed that there was steep rise both in sanction and disbursement of refinance by the Industrial Development Bank of India which was possible by maintaining close liaison with them. As on 31st March, 1981, the refinance outstanding from the Industrial Development Bank of India stood at Rs. 700.54 lacs after repaying an amount of Rs. 87.82 lacs during the year under report. It may also be mentioned that the Corporation has availed a total refinance of Rs. 1,337.33 lacs since the inception of the Corporation.

REVIEW OF OPERATIONS

The financial assistance extended to industries by the Corporation has been steadily growing over the years. As on 31st March, 1981, the total assistance sanctioned for the projects in a wide variety of industries stood at Rs. 3,104.35 lacs. The Corporation has since its inception 14 years ago, always endeavoured to play its role as a development bank by continuously acquiring the requisite skill in the field of project appraisal and follow up. In recent years, with greater accent on growth with social justice, a development bank's role has been broadened. The activities of a development bank now reflect the human and resource endowments of the regions served by them and the framework of national economic policies with which they work. Proper project identification, project formulation, project implementation and follow-up themselves become an important activity of development banks as distinguished from their conventional role as purveyors of finance. The gradual enlargement of development banks' role has thrown up new challenges and opportunities. The history of the Corporation provides examples of the expanded role which a development bank has been called upon to play in the development process. The scheme of concessional finance for the projects coming up in less developed areas is an example of the development bank's role in implementing Government's objective of reducing regional imbalances. Similarly, the relaxation in norms of financing by the Corporation in favour of new entrepreneurs and technocrats entering industry for the first time have encouraged the growth of a new class of entrepreneurs. These are, but a few examples, of how the Corporation has sought to enlarge its role to meet clearly identified needs and has grafted the new schemes on to the basic functions of a development bank viz. providing long term finance for viable projects.

Term Loans Sanctioned :

The total sanction of financial assistance of term loans amounted to Rs. 1,035.13 lacs to 113 units which shows an increase of 242% as compared to total sanctions of Rs. 302.28 lacs to 56 units accorded during the previous year. It would be observed that the assistance has increased both number-wise as well as amount-wise.

During the year under report, the Corporation received 155 applications for an aggregate term loan amount of Rs. 1,293.17 lacs, which included 22 applications for additional loan from existing units for an amount of Rs. 88.80 lacs. The applications received during the year under report together with those pending at the close of the last year made a total of 192 applications for Rs. 1,603.46 lacs (including 27 applications for additional loan for Rs. 106.11 lacs) from a variety of industries. The Corporation considered 153 applications amounting to Rs. 1,274.72 lacs during the year under report. The Corporation sanctioned 115 applications amounting to Rs. 1,035.13 lacs (including 19 applications for additional loan amounting to 29.00 lacs) rejected 7 applications amounting to Rs. 21.20 lacs and 13 applications amounting to Rs. 175.15 lacs (including 1 application for additional loan for Rs. 3.00 lacs) were closed or withdrawn by the parties. The Corporation after examination, reduced the amount to the extent of Rs. 43.24 lacs in respect of 57 applications. At the close of the year, 39 applications for an amount of Rs. 333.10 lacs (including 7 applications for additional

loan for Rs. 11.34 lacs) were pending for consideration. The Corporation has sanctioned 1,302 applications since its inception for an amount of Rs. 3,104.35 lacs.

The statement based on the international standard of Industrial Classification showing applications received, sanctioned, rejected, withdrawn or lapsed and the amount actually disbursed to the respective industries upto 31st March, 1980 and from 1st April, 1980 to 31st March, 1981 are separately given in Appendix-B, Part-I and II respectively. The position of applications for the year under report as also the cumulative figures at the close of the year are given in the following table:—

Lag Between Sanctions and Disbursements of Term Loans:

The lag between sanction and disbursements of term loans stood at Rs. 1,048.99 lacs at the close of the year, which was mainly due to scarcity of building material and slow availability of infrastructural facilities at some of the industrial points. Besides, a number of proposals on paper projects were received during the year, which were in participation with other State Level Financial Institution. The Industrial Development Bank of India was of the view that the exposure of State Level Financial Institution was quite high in paper projects and suggested involvement of Commercial Banks in some of these projects. As a result, arrangements for tying up refinance took some time. With this development, the refinance proposals were approved by the IDBI in the flag end of the year thereby increasing the lag between sanction and disbursements. It may also be mentioned that the Board of the Corporation has been reviewing at frequent intervals the reasons for non-disbursement of loans and the Corporation has been finding various means to expedite the disbursement. Where the Corporation was satisfied that the borrowers were not taking effective steps, the sanctions were withdrawn after serving notice to the borrowers. During the year, the Corporation withdrew sanctions amounting to Rs. 68.19 lacs. It has recently been decided that undisbursed sanctions shall be reviewed by the Executive Committee in each meeting.

Soft Loans :

The Corporation has raised a total share capital of Rs. 34.00 lacs under Section 4A of the State Financial Corporations Act, 1951. The scheme of the Corporation has been in operation since 1977 and the same was based on the guidelines issued by the Industrial Development Bank of India after obtaining the approval of the State Government. but no appreciable progress was made in granting loans under the same. The Corporation revised the scheme, during the year under report, on the basis of revised guidelines in order to make the same more meaningful. According to the revised scheme, the loans could be granted to medium scale units in exceptional cases. The definition of the entrepreneur has also been revised in order to cover wider section of entrepreneurs. Besides, it has been decided to release the soft loan after the entrepreneur has brought in entire promoter's contribution instead of linking the same with creation of assets. The aforesaid changes in the scheme have increased the utilisation of funds.

The above table indicates that the Corporation has so far sanctioned total soft loans of Rs. 21.35 lacs in a span of four years and the sanctions during the year under report alone account for 77% of total sanctions. The Corporation disbursed Rs. 4.80 lacs to 17 units (including Rs. 1.13 lacs to 4 partially disbursed units of the previous year). By adding the disbursements of previous year, the Corporation has so far disbursed an amount of Rs. 8.36 lacs to 19 units.

Bridging Loan:

Having felt the need of bridging finance due to time lag between sanction of loan and completion of legal formalities on one hand and creation of securities for disbursement purposes on the other, the Corporation had introduced during the previous year a scheme for providing bridging finance to the borrower concerns upto 75% of the sanctioned loan at 1% above the normal lending rate for a period of 6 to 12 months against the security of un-conditional and irrevocable bank guarantee. However, this scheme could not be fully implemented on account of reluctance on the part of banks to provide bank guarantee. The Corporation took up the matter with various bankers but without any fruitful results. It was, accordingly, decided to provide bridging finance against the security of movable and immovable assets of the borrower concern, as also having a lien on the advances paid by the borrower concern to the machinery suppliers. This step was taken in order to accelerate the implementation of the projects and to play an effective role as a development bank. The Corporation, during the year under report, received 6 applications for grant of bridging loan for an amount of Rs. 110.00 lacs. The aforesaid 6 industrial concerns were sanctioned bridging finance of Rs. 110.00 lacs against which an amount of Rs. 58.34 lacs was disbursed during the year. It may be mentioned that the bridging finance to one concern was converted into regular term loan while the bridging finance in respect of 5 industrial concerns was outstanding and would be converted into regular term loan during the current year. The outstanding amount of bridging loan to 5 industrial concerns stood at Rs. 48.34 lacs.

Central Subsidy:

The Corporation continued to act as an Agent for disbursement of Central Investment Subsidy to units assisted by it. During the year under report the Corporation decided not to charge any interest from the borrower concern in case the re-imbursement was delayed by the State Government/Central Government. During the year under report an amount of Rs. 285.68 lacs was sanctioned by the State Level Committee in favour of the units assisted by the Corporation. The total sanction of Central Investment Subsidy in favour of the units assisted by the Corporation, as on 31st March, 1981 stood at Rs. 502.37 lacs. The Corporation disbursed an amount of Rs. 77.91 lacs during the year and the total disbursement since the inception of the scheme upto the end of the year under report stood at Rs. 243.50 lacs. The Corporation has been able to obtain the re-imbursement of the amounts disbursed except for Rs. 3.59 lacs for which the claims have been filed during the current year.

State Government Subsidy:

The Corporation also continued to act as an Agent of the State Government for disbursement of State Government subsidy to units assisted by it. During the year under report the State Government enhanced the limit of Central Investment Subsidy from 10% of the fixed capital investment subject to maximum of Rs. 25,000 to 15% of the fixed capital investment subject to maximum of Rs. 1.00 lac. The amount of subsidy was earlier being disbursed by the Corporation only after funds were placed at the disposal of the Corporation for disbursement to eligible units but the Corporation during the year under report decided to disburse the amount out of its own funds and thereafter claim re-imbursement from the State Government in order to expedite the implementation of the projects. The State Government has so far sanctioned an

amount of Rs. 8,96,405 to 50 units (including Rs. 5,44,045 to 16 units during the year under report) assisted by the Corporation and placed an amount of Rs. 84,604.50 at the disposal of the Corporation during the year under report. Out of Rs. 3,80,519.50 received from the State Government, an amount of Rs. 3,55,976.50 (including Rs. 95,549.50 during the year) has been disbursed upto the end of the year and balance amount of Rs. 24,543 would be released during the current year after completion of the requisite formalities.

Margin Money/Seed Capital Scheme:

The Corporation continued to operate funds on behalf of the State Government under the Margin Money/Seed Capital Scheme which is applicable to units involving investment in Plant & Machinery not exceeding Rs. 1.00 lac set up in areas with population of less than 50,000. The admissible assistance of amount not exceeding Rs. 20,000 subject to 10% of the total investment is released by the Corporation after obtaining the sanction of the State Government. During the year under report, Seed Capital/Margin Money amounting to Rs. 3,01,851 was sanctioned by the State Government in respect of 32 units. The Corporation disbursed an amount of Rs. 1,89,310 to 20 units including 2 units partially disbursed from the previous year. The Sanction and disbursement under the scheme upto 31st March, 1981 stood at Rs. 17.14 lacs to 123 units and Rs. 12.36 lacs to 81 units respectively. The amount of seed capital/margin money was disbursed to the units out of the funds placed at the disposal of the Corporation by the State Government.

Interest Subsidy Scheme:

The Corporation continued to operate funds under the Interest Subsidy Scheme as an Agent of the State Government. The State Government has placed funds at the disposal of the Corporation for the purpose. During the year under report, the Corporation released an amount of Rs. 84,249.89 besides Rs. 1,73,665.92 during the previous years making the total disbursement of Rs. 2,57,915.81.

Loans under World Bank Line of Credit:

The Corporation received 3 loan applications amounting to Rs. 92.80 lacs under the World Bank Line of Credit for import of capital goods during the year under report. The total number of applications sanctioned since the inception of the scheme stood at 14 for Rs. 247.18 lacs (including 3 applications amounting to Rs. 76.30 lacs during the year under report). Out of aforesaid sanctions, two applications for Rs. 33.86 lacs were subsequently cancelled while one application for Rs. 30.00 lacs was pending at the close of the year.

Assistance for Projects in Less Developed Areas:

During the year under report, assistance to 101 projects being located in the notified less developed districts/areas amounted to Rs. 984.85 lacs which constitutes 95% and 88% of total assistance during the year amount-wise and number-wise respectively.

Repayments:

Broadly speaking, the defaults on the part of assisted concerns could be attributed to delays in implementation of the projects for one reason or the other resulting in escalation in costs, non-availability or erratic supply of raw materials and other inputs, lack or proper alignment between the prices of raw materials and finished goods, paucity of working funds, power shortage, unsatisfactory industrial relations and weakness in management. In fact, several factors in combination with each other led to problems encountered by different units assisted by the Corporation. The Industry-wise break-up of defaults as on 31st March, 1981 along with

the comparative figures for the previous year is given in the table below:—

A statement containing the details of default cases, more than six months old in respect of loans exceeding Rs. 2.00 lacs each (excluding suit-filed cases) is also furnished at Annexure-IV. The Corporation had been drawing up accounts in such a way as to reflect only income which was likely to be realised so as to reduce the incidence of avoidable tax, and, accordingly, an amount of Rs. 36.32 lacs has not been shown as income for the year under report in respect of interest on accounts where no amount has been received for 4 consecutive instalments although the same is being claimed from the borrowers in the courts during the subsequent years. The position of repayment of principal and interest during past 3 years is as under:—

(Rs. in lakh)				
	1978-79	1979-80	1980-81	
Principal	104.48	83.21
Interest	58.15	62.78
Total	162.63	145.99

According to schedule of repayment, the total amount of interest which fell due on loans (excluding suit-filed cases) during the year under report was Rs. 90.02 lacs. An amount of Rs. 76.14 lacs was actually recovered during the year which also included part payment of interest in arrears (Rs. 19.28 lacs) at the close of the previous year. Further, a sum of Rs. 38.36 lacs accrued as interest on the total advances during the year under report but this amount actually falls due for payment after 31st March, 1981. The total amount of principal which fell due during the year under review was Rs. 102.59 lacs. The actual repayment of principal, however, amounted to Rs. 78.91 lacs which also included part repayment in respect of arrears of principal (Rs. 21.01 lacs) at the close of the previous year. The statement given below shows the figures of repayments and defaults as at the end of the year:—

	Principal	Interest
	Rs.	Rs.
Arrears at the beginning of the year ..	62,90,447.41	38,94,894.00
Due during the year ..	1,02,59,203.81	90,02,473.76

Arrears at the close of the year ..	86,59,050.20	52,83,080.37

An amount of Rs. 8,56,052.99 and Rs. 6,11,252.41 on account of principal and interest respectively in respect of 25 accounts has been excluded from the opening default due to transfer of the amount to the suit-filed accounts during the year. The amounts of Rs. 1,03,475.98 on account of principal has been excluded from the opening default on account of re-scheduling during the year. Further, the amounts of Rs. 2,70,291.01 and Rs. 21,400.58 on account of principal and interest respectively have also been included in the opening default on account of 5 cases earlier included in suit-filed accounts but now decided. Besides, the amount of Rs. 15,958.38 and Rs. 1,23,010.24 has been included in the opening default of principal and interest respectively as the same was wrongly included in last report.

Suit-Filed Accounts:

The Corporation continues to be concerned about the default and overdues. Even the measures adopted to revive the units in some of the units did not yield fruitful results and it had to resort to legal proceedings against the wilful defaulters where it was felt that negotiations were not possible and filing of suits was unavoidable. But on the other hand, the experience of the Corporation in settling the case through courts was also not encouraging on account of the fact that

such cases are treated as miscellaneous applications by the Courts and are accorded low priority for disposal by the Courts. At the close of the year, 73 cases in which legal proceedings had been initiated involving Rs. 201.17 lacs were pending in various Courts and were being pursued vigorously. Out of the aforesaid cases, 25 cases pertaining to the transport industry involved an amount of Rs. 9.34 lacs and the balance amount pertained to general industries. During the year under report, the Corporation instituted 25 fresh cases involving Rs. 30.13 lacs. A statement showing suit-filed/decreed debts as on 31st March, 1981 is given at Annexure-V.

The statement given below shows the details of the arrears at the beginning of the year and at the close of the year in respect of suit-filed cases:—

Received during the year ..	24,081.37	3,10,879.11
Arrears at the close of the year ..	1,04,33,703.90	91,04,028.66

The amounts of Rs. 2,70,291.01 on account of principal and Rs. 21,400.58 on account of interest have been excluded from the opening default on account of cases decided during the year. Further, the amounts of Rs. 8,56,052.99 on account of principal and Rs. 6,11,252.41 on account of interest have been included in the opening default in respect of new suit-filed cases.

The overdues as on 31st March, 1981 amounted to Rs. 139.43 lacs (excluding suit-filed cases) against the outstanding loans of Rs. 1,137.90 lacs. The amount involved in suit-filed cases as on 31st March, 1981 was Rs. 201.17 lacs. The percentage of over dues and suit-filed cases to outstanding loans is 12.25% and 17.68% respectively as against 11.6% and 15.93% respectively during the previous year. In order to reduce the arrears of overdues, the steps taken by the various State Financial Corporations were examined and it was felt that the amendment made by Tamilnadu Government in Tamilnadu Revenue Recovery Act, 1972 is yielding good results and Tamilnadu Industrial Investment Corporation Ltd. has been able to recover its overdues as means of land revenue. Accordingly, the Government of Himachal Pradesh was requested, during the year under report, to consider the desirability of amending H.P. Land Revenue Act, 1953, on the pattern of Tamilnadu Government and the proposal is under its consideration. It is expected that the same is likely to be finalised during the current year which would improve our recovery progress.

Pre-Mature Repayments:

An amount of Rs. 1.84 lacs was received from the loanee concerns pre-maturely which pertain to 6 transport (Rs. 0.53 lacs) and 2 industrial loan cases (Rs. 1.31 lacs). Another amount of Rs. 3.86 lacs was received although the same was not due during the year.

Rate of interest & Margin:

The interest structure of the Corporation underwent change twice during the year under report. The present lending structure of the Corporation came into force with effect from 2nd March, 1981, as per details furnished in Appendix-H. There has been no change in the margin retained by the Corporation against the security during the year under report and the same is furnished at Appendix-I.

Promotional Work:

The Corporation has been trying its best to help the entrepreneurs in getting assistance from various Government agencies and has thus been acting as a catalytic agent in this regard. The Corporation has also put in efforts to liberalise the existing procedures of appraisal/disbursement so as to speed up the execution of industrial units. In order to achieve, this objective, the Corporation took following decisions during the year under report.

(i) Sanction of the Government for Purchase of Private Land:

It has been the experience of the entrepreneurs that when they propose to set up an industrial unit on private land, they are unable to get expeditious approval of the Government for purchase of the land on account of restrictions for purchase of agricultural land by non-agriculturists under the Himachal Pradesh Land Reforms and Tenancy Act. This aspect was particularly discussed in one of the Board meetings of the Corporation and it was suggested that the Director of Industries should explore the possibility in consultation with the Revenue Department for reducing the time-lag for getting such sanction of the State Government. It is expected that a decision in this regard is likely to be taken by State Government during the current year.

(ii) Equitable Mortgage:

The Corporation had been accepting the security of fixed assets by way of first registered mortgage in respect of assistance granted to individuals, partnership concerns, etc. while the security in case of companies and co-operative societies was equitable mortgage of immovable assets and hypothecation of movable assets. The Corporation felt that the State Government was reluctant to grant exemption from payment of stamp duty and registration charges in respect of loan documents executed by the industrial concerns on account of its ways and means position but at the same time the burden of stamp duty and registration charges was considered quite substantial especially on units coming up in backward regions of the State.

Accordingly, the Corporation decided to accept the equitable mortgage of immovable assets and hypothecation of movable assets in respect of loans granted to individuals and partnership concerns etc., thus making it uniform for assistance to all industrial units. However, this was subject to the condition that necessary title deeds in respect of immovable assets were available with the industrial concerns, failing which the security of first registered mortgage was obtained.

(iii) Uniform Rate of Interest:

The Corporation has been charging its normal lending rate from entrepreneurs on assistance granted to them till the loans were sanctioned and the same was availed of by it. During the year under report, it was decided that the reduced rate of interest, as prescribed by Industrial Development Bank of India shall be charged from the entrepreneurs from the date of sanction of refinance irrespective of the fact whether the refinance was availed by the Corporation or not.

(iv) Reduction of Margin for initial Disbursement:

The Corporation felt that the small borrowers whose contribution to the project cost ranged between 10-20% was not in a position to avail the assistance from the Corporation on the basis of assets created and thus was finding it difficult to implement the project. In order to overcome this difficulty, it was decided during the year under report, that the loan shall be released to the industrial concern by retaining a margin of 10% as against the stipulated margin of 25% in the initial stages but the stipulated margin would be made up while disbursing the later instalments of the loan. It was also decided that the advances paid by the entrepreneurs to the machinery suppliers shall be taken into account for the purposes of releasing of loan after a lien of the Corporation on the same has been created.

(v) Scheme for Payment of Bid Money in Instalments in respect of Sick Units :

The Corporation had taken over the possession of number of sick units under the provisions of section 29 of State Financial Corporations Act, 1951 but it was unable to dispose of the assets and recover the sale money in lump sum from the prospective buyers. During the year under report, it was decided that the bid money could be recovered in half-yearly instalments during a period of five years while the same would carry our normal rate of interest.

(vi) Delegation of Powers :

The Board of Directors had earlier authorised the Managing Director to sanction assistance to all units falling in tiny sector viz. where the investment in Plant & Machinery did not exceed Rs. 1.00 lac. The definition of tiny sector was, however, changed by the Government of India during the year under report, increasing the limit of investment in Plant and Machinery from Rs. 1.00 lac to Rs. 2.00 lacs. The powers of the Managing Director for sanction of assistance to units other than tiny sector had been earlier fixed at Rs. 50,000 per unit. It was felt that with the increase in prices, in cost of Plant & Machinery and building material etc. the limit of Rs. 50,000 for units other than tiny sectors was too little and such units needing small portion of financial assistance had to wait from one to three months before the proposals could be finalised by the Advisory Executive Committee of the Corporation. It was, accordingly, decided to increase the powers of the Managing Director to sanction assistance upto Rs. 2.00 lacs in each case.

The aforesaid decisions taken by the Corporation during the year under report, have accelerated the activities of the Corporation and it is felt that the assistance granted by it is becoming more effective and meaningful for speedy implementation of the projects.

ORGANISATION

Opening of District Offices :

The Corporation had decided to open 4 District Offices at Solan, Nahan, Dharamsala and Una about 2 years back but functioning of these offices could not be started due to non-availability of experienced personnel. although the posts of Managers had been advertised during the current year but the candidates selected have not joined the assignment. It is expected that these District Offices would start functioning during the current year.

Statutory Audit :

The audit of the accounts of the Corporation for the year under report has been conducted by M/s Subhash C. Jain & Co., Chartered Accountants, Simla, who were appointed by State Government in consultation with the Comptroller & Auditor General of India.

Internal Audit :

The internal audit of the Corporation for the year under report was conducted by engaging the services of a firm of Chartered Accountants and improvements were made on the recommendations of the same wherever possible.

Benefits to Employees :

The pay-scales of the staff and officers of the Corporation were revised with effect from 1st January, 1978 on the pattern of similar revision by Punjab Financial Corporation. For the purposes of promotion, a minimum qualifying service had been laid in the recruitment and promotion rules but the same were relaxed for promotion to certain categories of posts in order to encourage the staff of the Corporation. A post of Law Officer and Technical Officer was created during the year under report in order to strengthen the technical and legal wing of the Corporation.

Staff Training :

During the year, as part of human resources development programme, 6 members of staff and officers were deputed for training organised by Management Development Institute, Gurgaon, Small Industries Extension Training Institute, Hyderabad and Administrative Staff College of India, Hyderabad.

Organisational Study :

The operations of the Corporation have been increasing from year to year while no proper planning had been made with regard to organisational development. A need in this regard was felt during the year and it was decided to get a study conducted in this regard from Management Development Institute at a lump sum fee of Rs. 10,000. IDBI had agreed to subsidise the fee to the extent of 50%. The report of Management Development Institute in this regard is likely to be finalised during the current year.

Inspection by Industrial Development Bank of India :

The Industrial Development Bank of India conducted an Annual Evaluation/Upgradation study of the Corporation for the period ending 31st March, 1980, during the year under report. The recommendations made in the report in this regard have been considered and are being implemented, wherever feasible.

Chairman :

Shri K. C. Pandeya, I.A.S., Chief Secretary to the Government of Himachal Pradesh continued to be the Chairman of the Board of the Corporation.

Managing Director :

Smt. C.P. Sujaya, I.A.S., was appointed as Managing Director by the Government of Himachal Pradesh in consultation with Industrial Development Bank of India with effect from 3rd April, 1980.

The Board place on record their highest appreciation of the valuable services rendered by Sarvshri B. C. Negi, S.K. Alok, A.K. Goswami, Kanwar Shamsheer Singh and B.N. Gupta while they were associated with the Corporation and welcome Sarvshri Anang Pal, M.S. Mukherjee, Arvind Kaul, K. C. Berry and H.N. Sharma.

Executive Committee :

The Executive Committee consists of the Managing Director as Chairman and other Directors, namely Sarvshri M. S. Mukherjee, Arvind Kaul, A. Lahiri, M.M.S. Rekhrao and K. C. Berry.

Meetings of the Board and other Committees :

Eight meetings of the Board were held during the year, 6 at Simla and 2 at New Delhi. The Advisory Committee and the Executive Committee held 10 and 8 meetings respectively during the year under report, out of which 6 meetings of the Advisory Committee and 5 meetings of the Executive Committee were held at Simla, one meeting each of Advisory Committee and Executive Committee was held at Parwanoo, District Solan and the remaining meetings were held at New Delhi.

ACKNOWLEDGEMENT AND ASSISTANCE RECEIVED

The Board wish to place on record their appreciation of the assistance, co-operation and cordiality received from Industrial Development Bank of India, Reserve Bank of India, Industrial Finance Corporation of India, Life Insurance Corporation of India, Directorate of Industries, Himachal Pradesh, Himachal Pradesh Mineral & Industrial Development Corporation Limited, Himachal Consultancy Organisation Limited, Small Industries Service Institute, Solan, Commercial Banks and other all-India and State level Financial and Developmental Institutions. The Board are grateful to the members, who have served on various Advisory Committees of the Corporation for their valuable assistance and advice.

The Board also wish to express their appreciation for the loyal and devoted services put in by the officers and staff of the Corporation during the year.

By order of the Board of Directors,
C. P. SUJAYA,
Managing Director.

MANAGEMENT LETTER FROM THE INTERNAL AUDITORS
TO THE BOARD OF DIRECTORS

Himachal Pradesh Financial Corporation
Simla

We have examined the enclosed financial statements (Annexures I to V) depicting the results of various operations, the sources and application of funds and other data of Himachal Pradesh Financial Corporation for the year ended 31st March, 1981. Our examination of these statements was made in accordance with the generally accepted auditing standards

and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion and as per the accounting records produced before us and according to the information and explanations given to us, the statements as mentioned above (Annexures I to V) subject to the notes thereon present a fair position in all material respects when considered in conjunction with the financial statements taken as a whole.

Before Shri H. D. Kainthla, Industrial Tribunal for the State of Himachal Pradesh, Circuit at Solan

CASE NO. 53 OF 1979
H.P.M.I.D.C. (Himachal Pradesh Mineral and Industrial Development Corporation) Employees Union.
... Applicants.

Versus

Himachal Pradesh Mineral and Industrial Development Corporation, Ltd., and its, subsidiary Companies, namely Himachal Worsted Mills Ltd., and Himachal Wool Processors, Ltd.,
... Respondents.

INDUSTRIAL DISPUTE

AWARD

Himachal Pradesh State Government made the reference to this Tribunal, vide its notification No. 7.96/75-L.C.P.-Shram, dated Simla-2, 30th October, 1979, as amended by notification of even number, dated 11-12-1979, regarding an industrial Dispute between the respondents management and their employees, for adjudication with the following terms of reference:—

“Determination of the pay scales of the employees of Himachal Pradesh Mineral and Industrial Development Corporation and its subsidiary units, namely:—

Himachal Wool Processors Ltd., and Himachal Worsted Mills, Ltd., Nalagarh; and
To fix the date from which it has to be enforced.”

2. This reference notification was received by this Tribunal on 31-10-1979 and the concerned parties were summoned. The H.P.M.I.D.C., Employees Union, Nalagarh, through its General Secretary was required to put in the elaboration of the employees claim regarding their pay scales. He did the same on 29-12-1979.

3. The respondents three companies were called upon to put in their replies to the elaborated claim petition filed by the employees. Initially they only put in preliminary replies raising technical objections that the reference was not proper as the three companies were different entities and separate reference in respect of them should have been made by the State Government. Secondly it was objected that a Government Committee to review the pay structure of the respondents's companies has been constituted and the proceedings before the Tribunal may be deferred till the report of the said Committee.

4. These objections were over-ruled and the respondents companies were directed to put in their separate written-statements to the Industrial Dispute matter involved in this reference case as elaborated by the applicants claim petition dated 29-12-1979. They filed their replies on 8-3-1980.

5. The respondents three companies shall be referred. Himachal Pradesh Mineral and Industrial Corporation as "H.P.M.I.D.C." Himachal Wool Processors Ltd., as "Wool Processors" and Himachal Worsted Mills Ltd., as "Worsted Mills", in this award.

6. The applicants/employees in their claim petition dated 29-12-1979 had pointed out that 17 named employees in the first paragraph of the petition of Wool Processors and Worsted Mills were being governed under the same Bye-laws as applicable to the H.P.M.I.D.C., Ltd., which is a holding company of the above named subsidiaries. That upto 1-3-1979 the ministerial and technical employees were being governed by the H.P. Government pay scales under the Bye-laws and the practice, was that when there was a revision of pay scales in the Himachal Pradesh Government it automatically became applicable to the employees of these respondents' companies.

7. That T.A. Rules and other regulations of H.P. Government are applicable to the employees of the respondents Corporation and subsidiaries in respect of allowances scheme sanctioned by the Government from time to time make the employees entitled for any change of pay scales made by the Government.

8. According to the applicants the employees were agitating for uniform pay pattern in respect of various units and subsidiaries of the respondents' companies. Consequently on 4-3-1978 an agreement was arrived at between the management and the employees Union. For clause 13 of the said agreement the parties agreed to settle the Pattern of pay scales by referring the matter to the Arbitration. That the respondents management did not refer the matter to the Arbitration.

9. The respondents have adopted pay patterns of sister units of the neighbouring State for some of their units, which fall slightly below the State Government pay scales.

10. With a view to adopt new pay scales of the neighbouring State Units, the 17 employees mentioned in para No. 1 of the petition, who were getting allegedly State Government pay scale, were given notices in August/December, 1978 that they may exercise options of N.T.C. (National Textile Corporation) pay scales and in case of non-acceptance their existing pay scales shall be continued to them and treated as frozen. Frozen scales mean that there could be no revision of those scales in future even if the State Government or H.P.M.I.D.C., Ltd., revised their pay scales.

11. The employees then ultimately got the reference made to this Tribunal by getting direction issued to the Government from the Hon'ble High Court under its writ jurisdiction.

12. The three respondents, H.P.M.I.D.C., Wool Processors and Worsted Mills, filed their written statements to the above referred elaborated claim by their employees and workers. There are a few technical objection against the maintainability of the claim-petition. On merits of the claim it was pleaded by H.P.M.I.D.C. as follows:—

(a) appointment letters invariably govern the terms and condition of employment. These do not

indicate that H.P. Government pay scales were to be given.

- (b) accordingly to agreement dated 4-3-1978 only such cases were to be referred, to the arbitration which were not covered by Punjab Wage Board. There was no such case and hence no arbitration was availed.
- (c) H.P.M.I.D.C., with the consent of the Unions of concerned units introduced Punjab State pattern of pay scales in Television Factory Solan; and Punjab Breweries Pay Scale pattern in Country Liquor Bottling Plant Mehatpur. Wool Processor and Worsted Mills adopted Textile Corporation (Punjab, Delhi and Rajasthan) pay scales, with full consent of the individual employees.
- (d) employees petitioners No.1 to 17 do not belong to H.P.M.I.D.C. Employees No. 1 to 11 are employees of Wool Processors and No.12 to 17 Worsted Mills.
- (e) That H.P.M.I.D.C., is paying contracted pay scales were never agreed or contracted with the employees. Merely following H.P. Government T.A. and other Rules, does not make applicants/employees automatically entitled to Government scales or their revision from time to time, as and when effected by the Government.
- (f) The pay patterns followed by the respondents/ Corporation and Companies are in accordance with the decisions of the Board of Directors taken from time to time.
- (g) That the employees were entitled to Punjab Wage Board pay scales but the scales introduced on the pattern of M.T.C. and Punjab Breweries etc., were better than the Wage Board scales and advantages to the employees.
- (h) That the respondents/Corporations and Companies have to keep in view its paying capacity as Commercial and Industrial Units, and that they are not in a position to pay anything more than what is being presently paid to their employees.

13. The following issues, arises, in view of the respective contentions of the parties to this reference:—

- (1) Whether the HPMIDC Employees Union Nalagarh is an independent Union or Branch of the Union registered vide No. 141 ? OPP.
- (2) Whether the applicants Numbering 17 mentioned in para 1 of the claim petition are not cannot be the members of HPMIDC Employees Union as registered vide No. 141 ? OPP.
- (3) whether Shri C. R. Tanwar (General Secretary) (HPMIDC Employees Union Nalagarh) is competent and authorised to represent employees of HPMIDC Headquarters at Simla and other Units at different places at Solan, Mehatpur etc. and also be represent the employees of HWP Ltd. (Himachal Wool Processors) and Him Ltd. (Himachal Worsted Mills) working at Simla and Nalagarh ? OPP
- (4) Whether Shri C. R. Tanwar (General Secretary) (HPMIDC Employees Union Nalagarh) cannot be the member of HPMIDC employees Union being not an employee of the HPMIDC ? OPR.
- (5) Whether under the Constitution of HPMIDC Employees Union, an office bearer as General Secretary is not contemplated and covered and as such the office held by Shri Tanwar, as General Secretary Employees Union, Nalagarh Unit, is irregular and if so to what effect? OPR.
- (6) Whether the services of the 17 employees mentioned in para 1 of the claim petition are governed under the Bye-laws applicable to HP MIDC Ltd ? OPR.
- (7) Whether the Ministerial and Technical employees of HWP Ltd. and HIM Ltd. were governed up to 1-8-78 by Himachal Pradesh Government

pay scales under the bye-laws and the practice for its revision automatically whenever the State Government employees pay revision takes place including the holding company i.e. HPMIDC existed? OPP.

- (8) Whether the application of Himachal Pradesh Government T.A. Rules for all employees and Allowances Rules, in case of certain employees of HPMIDC and its subsidiaries, make the applicants entitled to the changed pay scale of the Government? OPP.
- (9) Whether the HPMIDC introduced in some Units, as T. V. Factory and Country Liquor Bottling Plant the pay pattern of Punj Star T. V. and Punjab Breweries and whether the same is illegal according to the agreement dated 4-3-78 OPP.
- (10) Whether the HPMIDC is giving its employees the employees pay scales and if so the demand of the employees for Govt. pay scales is illegal and uncalled for OPR.
- (11) Whether the HWP Ltd. and HIM Ltd. are paying NTC pay scales with the consent of the individual Employees/Union if so, to what effect? OPR.
- (12) Whether the respondents are following different pay patterns for their employees if so what are these patterns? OPR.
- (13) What are the pay scales to which the employees of HPMIDC and its subsidiaries Units, namely: HWP Ltd. and HIM Ltd. are entitled? OPP.
- (14) From which date of pay scale determined under the preceding issue are to be made applicable? OPP.
- (15) Relief.

FINDING ON THE ISSUES

ISSUES NO. 1 to 5

14. Though the parties had put in some documentary evidence relating to these issues, but the same need not be considered because these preliminary technical issues are not relevant and material in view of the terms of the references made to this Industrial Tribunal. Irrespective of such technical objections and considerations regarding the representative character of the employees appearing before this tribunal in connection with this reference, the award determining the pay pattern for the employees of the respondents/Corporation & Companies has to be made. So these issues are ignored as irrelevant and immaterial, in the context of the terms of this Reference.

ISSUES No. 6 to 8

15. These issues cover the main contention of the employees that Himachal Pradesh State Government pay scales were applicable to them under the Bye-laws with practice for its automatic revision whenever, the State Government revised its pay scales. The mainstay for this assertion, is the Bye-laws of the Himachal Pradesh MIDC per copy Ex. HIM/1. These Bye-laws are meant to cover the H. P. MIDC Units and subsidiary/companies. Its applicability under clause 1.2 was to take effect from the date as may be decided by the Board of Directors. Under clause 1.3 all employees except these governed by Factories Act were covered by these Bye-laws.

16. Clause 1.4 is a definition clause, its sub-clause (XV) defines pay scales as the scale of pay attached to the positions of the corporation. Its sub-clause (XVII) defines "allowances" to be Dearness Allowance and Local Allowance which are sanctioned by the State Government from time to time for Government servants.

17. Per clause 6.5, Annexure A & B to these Bye-laws contain the rules of recruitment in respect of the posts detailed and the scales for various posts specified therein. Thus these Bye-laws have provided for the pay scales, for

the posts and positions in the Corporation, its Units subsidiary Companies.

18. Clause 15.1 lays down that T.A. & D.A. to be paid to the employees shall be on the same conditions and rates as are admissible to Himachal Pradesh Government employees from time to time.

19. Last clause 24.8 stipulates that in all matters where specific provision is not incorporated in these Bye-laws the Government of Himachal Pradesh Rules and Bye-laws will apply.

20. On the side of the applicants/employees the Bye-laws relating to the provision of allowances and the rules for T.A. & D.A. payment to them at par with State Government Servants, is pressed into aid as analogy that the pay scale are also to be the same as available to the Himachal Pradesh State Government servants. This arguments is erroneous because the Bye-laws has specified pay scales per annexure A & B to these Bye-laws for the posts and positions under the respondents/corporation or companies. So the clause of 24. 8 of these Bye-laws providing for Government rules where no specific provision is made under these Bye-laws cannot help the applicants/employees.

21. The specific provision for allowance and T. A. & D. A. payment at Government rates, instead of supporting, negative the employees contention that they are entitled to pay scale on State Government pattern. Had it been so, Bye-laws would have similarly stipulated in regard to pay scale as well. But pay scales and grades are specifically provided for under these Bye-laws. Thus there is no getting away for the employees from these provided scales or any other future scales as may be sanctioned by the Board of Directors. The Bye-laws, in no way expressly or impliedly, envisage, the pay scales for the employees of the HPMIDC and subsidiary companies at par with State Government employees or on State Government pay pattern. Nor can they, possibly, therefore, lay any claim for revised pay scales from time to time available to the State Government employees.

22. From the above discussion it is concluded that Issue No. 6 is held in the affirmative and issues No. 7 & 8 in the negative

ISSUES No. 9 to 12

23. HPMIDC besides controlling the two subsidiary companies, Himachal Pradesh Wool Processors and Worsted Mills Nalagarh, are running various units as its factories namely:

- (1) Television Factory, Solan.
- (2) Furniture Factory, Solan.
- (3) Furniture Factory, Bilaspur.
- (4) Country Liquor Bottling Plant, Mehatpur.
- (5) Carpet Factory, Nurpur.
- (6) Silk Weaving, Nurpur.
- (7) Mining Project Kothi Pura, Bilaspur.
- (8) Hosiery Unit, Nalagarh.
- (9) Synthetic Detergent Project, Paonta.
- (10) Stone Crusher, Nalagarh.
- (11) Motorised Unit, Nalagarh (Motor Transport Establishment).

24. From the very nature of the different categories of the Industrial Units listed above, there cannot possibly be an uniform pay pattern covering all these diverse establishments. There is a vast difference in their sizes, composition and character of these different Industrial Units, requiring different capacities and capabilities for different kinds of works involve. Naturally no single pay pattern covering all these diverse Units can possibly be adopted. Varied and various pay patterns, in view of these distinguishing features of their constitution and categories, have to be provided for. For instance HPMIDC runs at Solan (Chambaghat), Furniture Factory and Television Factory situated side by side. The difference between the two form all aspects is very much marked and obvious. The two factories cannot possibly have the same pay pattern for its employees. Therefore,

the objections raised and criticism leveled on the part of the applicants/employees at the door of the respondents on this score are quite misplaced and off the mark.

25. Here it will be proper to recall the respondent companies action of introducing N. T. C. Pay Pattern. The relevant resolutions in this behalf are as under:—

26. RESOLUTION NO. 6 DATED THE 5TH AUGUST 1978, OF THE 23RD MEETING OF THE BOARD OF DIRECTORS OF HIMACHAL WOOL PROCESSORS LIMITED, SIMLA.

ITEM NO 6: INTRODUCTION OF PAY SCALES PATTERN OF NATIONAL TEXTILE CORPORATION LTD. IN THE COMPANY.

The Managing Director's memo No. 15-78/B, dated the 29th July, 1978 along with the recommendations of the Govt. Committee, constituted by the Himachal Pradesh Government vide notification No. 4-7/72-51 (Crop.) dated 30-3-1978 to process all proposals relating to sanction of staff, review of pay scales and allied matters were considered. It was unanimously resolved that in principle the N. T. C. (Delhi, Punjab and Rajasthan) Pattern of scales of pay be and is hereby introduced in the Company w. e. f. 1-8-1978.

that different categories of posts of the company to be and are hereby equated with the corresponding categories of posts as per N. T. C. (D. P. R.) Pattern. Where corresponding categories are not available, the Managing Director be and is hereby authorised to equate the existing posts with any other suitable posts on N. T. C. pattern in suitable pay scales.

that Managing Director be and is hereby authorised to relax qualifications and experience of the existing members of staff and of the prospective candidates if so required in view of the situation of the Company's Mill at Nalagarh.

that Managing Director be and is hereby authorised to fix pay of the existing members of staff in the pay-scales suitably and that Managing Director be and is hereby authorised to take all consequential action in the matter and settle other issues on his own for the implementation of N.T.C. pay-scales and re-designate the existing posts where required. Any changes made by N.T.C. in their existing pay-scales and allowances from time to time shall be admissible to the employees of the Company with the prior approval of the Managing Director.

27. RESOLUTION NO. 10 DATED THE 30TH NOVEMBER, 1979 OF THE 30TH MEETING OF THE BOARD OF DIRECTORS OF HIMACHAL WOOL PROCESSORS LIMITED, SIMLA.

ITEM NO. 10: PROGRESS OF INTRODUCTION OF NATIONAL TEXTILE CORPORATION PAY SCALES.

Board memo No. 32/B/79, dated 26-11-79 was considered. The Board noted that a few employees who were in Himachal Pradesh Government pay scales, were offered the National Textile Corporation (Delhi, Punjab and Rajasthan) Limited pattern of pay-scales out of which certain employees opted for their existing pay-scales of Himachal Pradesh Government which were treated as frozen pay-scales as per option letters related to them. Further the action taken by Managing Director was approved by the Board.

28. RESOLUTION NO. 4 DATED THE 5TH AUGUST, 1978 OF THE 20TH MEETING OF THE BOARD OF DIRECTORS OF HIMACHAL WORSTED MILLS LIMITED.

ITEM NO. 9 INTRODUCTION OF N.T.C. PAY SCALE.

Memo No. 16/B/78, dated 28-7-78 was considered. It was explained that as a part of agreement with

the worker's Union and to rationalise the scales in the Company, it was necessary to have a comparable Government Pattern. Accordingly National Textile Corporation Ltd., Govt. of India Undertaking was the only company whose pay pattern could be adopted. NTC Ltd. is having its various subsidiaries. One of the subsidiaries viz. NTC (Delhi, Punjab and Rajasthan) Ltd. hereinafter referred to as NTC (DPR) Ltd., is having only one Woollen Mill situated at Kharar (Punjab) and known as Panipat Woollen and General Mills Co. Ltd.

After detailed discussion it was resolved:—

(a) that pay pattern prevalent in the National Textile Corporation (Delhi, Punjab and Rajasthan) Ltd., having Head Office at Delhi be adopted for the company at its factory, its Head Office and other place/places where the business of the Company is carried on with effect from 1-8-1978 for these categories not covered by Punjab Wage Board.

(b) that Managing Director be and is hereby authorised:

(i) to equate the different categories of posts of the company with the corresponding categories of posts at "Panipat Woollen and General Mills Co. Ltd., Kharar" a company under NTC (DPR) Ltd., Delhi.

(ii) to equate other posts with corresponding categories of posts with NTC (DPR) Ltd., carrying similar type of work but not existing at Panipat Woollen and General Mills Co. Ltd., Kharar.

(iii) to relax qualifications and experience of the existing employees and prospective candidates if so required, taking into consideration the working conditions of the State of Himachal Pradesh particularly Nalagarh area where Company Mill is situated.

(iv) to fix the pay of the existing employees whether working under Himachal Pradesh Government scales, on consolidated salary or on daily wages so that the employees could offered the NTC (DPR) Ltd. scales after taking options for accepting the NTC (DPR) Ltd. scales, and to take all consequential actions in the matter and settle any other issue/issues at his discretion arising out of implementation of the NTC pay structure.

29. RESOLUTION NO. 8 DATED 30TH NOVEMBER, 1979 OF THE 27TH MEETING OF THE BOARD OF DIRECTORS OF HIMACHAL WORSTED MILLS, LTD.

ITEM NO. 8: PROGRESS OF INTRODUCTION OF NATIONAL TEXTILE CORPORATION PAY SCALES.

Item No. 8: Board Memo No.28/B/79, dated 26-11-1979 was considered. The Board noted that a few employees who were in Himachal Pradesh Government Pay-scales were offered the National Textile Corporation (Delhi, Punjab and Rajasthan) Limited pattern of pay scales out of which certain employees opted for their existing pay scales of Himachal Pradesh Government which were treated as frozen pay scales, as per the option letters released to them. Further the action taken by the Managing Director was approved by the Board.

30. It is rational that H.P.M.I.D.C. should have introduced pay scales of the comparable sister units obtaining in the adjoining States payable to their employees from time to time. In this way the pay structure for Wool Processors and Worsted Mills adopted is that of N.T.C. (Punjab, Delhi and Rajasthan) a Government of India Undertaking, for Mehatpur Liquor Bottling Plant that of Punjab Breweries and for Television Factory, Solan, the Punj Star Television Unit of Punjab. This is in no way

wrong but most appropriate especially when the employees respective local unions of the Units concerned and the employees individually and in groups, accepted the same. Here reference can be made to Ex.PW 2/A(ZZZ), copy of the minutes of the meeting held on 23-7-1977 between the Television Factory Workers Union's representative and the Management, Ex.PW-4/C1 to C5, Ex. 3/A1 to RW3/A14 and Ex. PM1. These exhibits clearly show that the employees had adopted accepted these pay scales collectively as well as individually on the pattern of N.T.C. Punj Star and Punjab Breweries. It is neither credible nor believable that such a large body of employees should accepted these scales under threat of termination. This explanation fails to explain the stand taken on the side of the applicants/employees regarding the induction of these pay scales.

31. It is a different matter that the agreement between Management and the employees arrived at on 4-3-1978, had stipulated a reference to arbitration in case of dispute over the pay scales. Having accepted the aforesaid pay scales, there was no dispute worth reference to this arbitration. Only the "Frozen" scales of a few employees who were getting scales at par with Government pay scales, could be said to the disputed pay between the said employees and the Management of the respondents. No doubt they were getting pay scales equal to the State Government employees pay scales for similar posts in the Government but such scales adopted by the respondents and enjoyed by the employees, were not the Government scales given to them but these were respondent Corporation scales allowed under its Bye-laws. Such Government scales were adopted by the respondents as their scales under the Bye-laws.

32. There was no contractual or any other statutory obligation under any rule or bye-law on the respondents to pay the Government scales to its employees. Such adopted scales (Government Scales) were subject to change from time to time by the Management (Board of Directors) of the respondents under the Bye-laws. So there is no legal right and justification available to the employees that they are entitled to Government scales as applicable to Government employees from time to time. So that claim, of such employees numbering 17 shown in the first paragraph of the claim petition, or other, is misconceived and untenable.

33. The respondents are paying their own contractual pay scales offered per letters of appointments, in terms of the Bye-laws of H.P.M.I.D.C. The employees cannot as a matter of right claim the Government pay-scales. The reliance on H.P. Government letter dated 9-1-1980 marked RBl, issued to various Corporation in the State including the H.P.M.I.D.C., prescribing uniform pay scales on Government pay pattern cannot give any right to the employees as the same was withdrawn vide letter dated 13-2-1980, Ex. RRd. Such a letter of the Government which was withdrawn before it could be adopted by the Management of the respondents, cannot give any right or benefits to the employees.

Issue No. 13 and 14

34. But the problem posed in this reference remains to be answered as to what are the pay scale to which the employees of H.P.M.I.D.C. and its subsidiary companies are entitled and from which date? This question is the subject matter of issues No. 13 and 14 framed by this Tribunal to be determined between the parties on the basis of evidentiary materials to be supplied to them. In fact the employees/applicants were put to proof of these issues.

35. They have failed to adduce any material suggesting any other pay pattern which could be adopted on uniform basis for the employees of the respondents. Their only demand was that the State Government employees pay pattern was to be given to them. As seen as above, no legal right, available, to them, to claim the Government pay scales or legal duty, cast on the respondents, to pay the same, has been made out before me. Neither there is any legal justification to claim, nor any legal obligation to pay

the Government scales, to the employees belong. Such establishments have to run on commercial lines. They cannot be equated with the Government department.

36. On the side of the respondents again, as noticed above, it has been shown that they are giving pay scales on the pattern of similar Industrial Institutions obtaining in the neighbouring State areas. Without anything more, brought to my notice, I do not find that the pay pattern followed, by the respondents, of its employees is not justified and that in the circumstances of this reference matters as discussed hereinabove, any other pay pattern much less on uniform basis covering the vastly different categories of Industrial Units as involved in this reference, more suitable to the prevailing pattern, is there, which could be adopted.

37. In view of the evidentiary materials available before me for the reasons recorded above, the prevailing pay pattern, for the respondents/Corporation and Companies, appears to be alright and the reference is answered accordingly.

38. This Tribunal acting in the discharge of its judicial functions cannot *suo-moto* collect the necessary and relevant materials on the Pay Patterns obtaining in similar Corporations with similar industrial units in the State itself or in the neighbouring areas of other States. It has to confine its proceedings to the materials placed on record by the parties to the reference.

39. It has come on record that the Himachal Pradesh Government has constituted a Committee vide notification No. IND.II(B)-1-2/78-MIDC, dated 18-12-1979 to review the pay structure of the units of the H.P.M.I.D.C. Ltd. and its subsidiary companies. I think that this committee may be an appropriate forum for the applicants/employees to put their proposals and claims regarding the pay structure because the committee can go into the question in a comprehensive and detailed manner availing all possible materials on its own, even, the pay patterns followed by other Corporations in the State like Himachal Pradesh State Forest Corporation and Himachal Pradesh Agro. Industrial Corporation, etc. Being an administrative body it is not hedged with the handicaps of a judicial body like this Tribunal.

State of Himachal Pradesh,
Circuit at Solan.

This order will come into force throughout Chamba district with immediate effect.

In addition to above margin of profit the retailer will charge interest on investment at the rate of 1% and shortage at the rate of 1% over and above the above margin of profit. No shortage will, however, be allowed in case of H.V. oil while in the case of Gur, Shakkar and Khandsari 2% shortage will be allowed. In case of wholesalers, the interest on investment will be allowed at the rate of 1-1/2% and shortage at the rate of 1/2%. However no shortage will be allowed in case of H.V. oil. In case of fresh vegetable/fruits dealers, they will be allowed to charge 11% shortage instead of 1%.

2. For fixing the above margin of profit the different areas of Chamba district have been divided into the following three categories:—

- Municipal area of Chamba including shops in Prel locality and Municipal area of Dalhousie including cantonment Board area, Dalhousie (Balloon and cantonment area of Bakloh and Kakira Bazar);
- all the area of Chamba, Bhattiyat and Churah Tehsils of Chamba district except Chamba/Dalhousie and Bakloh/Kakira Municipal area;
- all the area of Pangi and Bharmaur Tehsils of Chamba district.

(1) The margin of profit indicated above will be for the area mentioned/falling under category (a) while the retail sale margin of profit area mentioned under (b) and (c) category will be fixed higher by 1% and 2% respectively as compared to the margin fixed for the area in category (a).

(2) As regards wholesalers falling under the category (b) and (c) above are allowed to charge higher margin of profit at the rate of 1/2% and 1% respectively than that fixed for the area in category (a).

(3) The above margin of profit is on the landed cost i.e. purchase price plus freight, octroi, Central and local Taxes where payable and other incidental charges such as loading, un-loading and cartage etc., actually paid by the dealer. No other charges except mentioned above will be allowed.

(4) For the purpose of calculating the margin of profit a wholesaler would mean a dealer who deals in single transaction of not less than one quintal or in case of articles packed in tins, not less than one big tin of 16-1/2 kilograms. The wholesalers margin would be allowed only at one stage.

(5) In certain cases some dealers are doing wholesale as well as retail business, in that case they shall charge only one margin of profit on one transaction i.e. wholesale margin on wholesale transaction and retail margin on retail transaction.

T. R. SHARMA,
District Magistrate, Chamba,
Himachal Pradesh.

No. Fts. (C)3-4/80.—The Forest (Conservation) Rules, 1981 together with its enclosures as notified by the Government of India, Ministry of Agriculture (Department of Agriculture and Co-operation) vide their notification No. 8-6/80-FRY (Coord), dated the 22nd July, 1981, are republished for the information of the general public. The Hindi text is also republished.

B. C. NEGI,
Secretary.

Copy of notification No. 8-6/80-FRY (Coord), dated 22 July, 1981, from Under Secy. to the Govt. of India, addressed to the Manager, Govt. of India Press, New Delhi and copy forwarded to all State Govts. (U. Ts. (Forest Deptt.) among others.

NOTIFICATION

G.S.R.....In exercise of the powers conferred by sub-section (i) of section 4 of the Forest (Conservation) Act, 1980 (69 of 1980), the Central Government hereby makes the following rules, namely:—

1. *Short title, extent and commencement.*—(1) These rules may be called the Forest (Conservation) Rules, 1981.

(2) They shall extend to the whole of India except the State of Jammu and Kashmir.

(3) They shall come into force on the date of their publication in the Official Gazette.

2. *Definitions.*—In these rules, unless the context otherwise requires,—

- (a) "Act" means the Forest (Conservation) Act, 1980 (69 of 1980);
- (b) "Committee" means the Committee constituted under section 3;
- (c) "Chairman" means the Chairman of the Committee;
- (d) "member" means a member of the Committee;
- (e) "section" means a section of the Act.

3. *Conduct of business of the Committee.*—(1) The Chairman shall call the meetings of the Committee as often as necessary.

(2) The meetings of the Committee shall, unless the Chairman in any case otherwise directs, be held in Delhi.

(3) The Chairman shall preside over every meeting of the Committee at which he is present:

Provided that if the Chairman is absent from a meeting and it is not expedient to adjourn the meeting, the senior-most member of the Committee shall preside over the meeting.

(4) Every question upon which the Committee is required to advise shall be considered either at its meetings or, if the Chairman so directs, by sending necessary papers to members for their opinion.

4. *Procedure to make proposal by a State Government or other authority.*—(1) Every State Government or other authority which seeks prior approval of the Central Government under section 2 shall send its proposal to that Government along with the particulars specified in the Annexure to these rules.

(2) Every proposal referred to in sub-rule (1) shall be sent to the following address, namely, "Secretary to the Government of India, Department of Agriculture and Co-operation, Krishi Bhavan, New Delhi".

5. *Committee to advise on proposals received by the Central Government.*—(1) The Central Government may refer any proposal received by it under sub-rule (1) of rule 4 to the Committee for its advice thereon.

(2) The Committee shall have due regard to all or any of the following matters while tendering its advice on the proposals referred to it under sub-rule (1), namely:—

- (a) whether the forest land proposed to be used for non-forest purpose forms part of a nature reserve, national park, wildlife sanctuary, biosphere reserve or forms part of the habitat of any endangered or threatened species of flora and fauna or of an area lying in severely eroded catchment;
- (b) whether the use of any forest land is for agricultural purposes or for the rehabilitation or

persons displaced from their residences by reason of any river valley or hydro-electric project;

(c) whether the State Government or the other authority has certified that it has considered all other alternatives and that no other alternatives in the circumstances are feasible and that the required area is the minimum needed for the purpose; and

(d) whether the State Government or the other authority undertakes to provide at its cost for the acquisition of land of an equivalent area and afforestation thereof.

(3) While tendering the advice, the Committee may also suggest any conditions or restrictions on the use of any forest land for any non-forest purpose which, in its opinion would minimise adverse environmental impact.

6. Action of the Central Government on the advice of the Committee.—The Central Government shall, after considering the advice of the Committee tendered under rule 5 and after such further enquiry as it may consider necessary, grant approval to the proposal with or without conditions or reject the same.

ANNEXURE

(See Rule 4)

Submission of proposals by the State Governments and other authorities regarding dereservation of reserved forests or use of forest land for non-forest purpose.

1. Short narrative of the proposal and project/scheme for which the forest land is required with maps and sketches.

2. Location of the project/scheme—

(i) State/Union territory

(ii) District

(iii) Forest Division, Forest Block, Compartment, etc.

3. Total land required for the project/scheme along with its existing land use.

4. Details for forest land involved:—

(i) legal status of forests (namely reserved, unclassified, etc.);

(ii) the details of flora existing in the area including the density of vegetation;

(iii) topography of the area indicating gradient, aspect altitude, etc;

(iv) its vulnerability to erosion, whether it forms a part of a seriously eroded area or not;

(v) whether it forms a part of national park, wildlife sanctuary, nature reserve, biosphere reserve etc. If so, details of the area involved;

(vi) rare endangered species of flora and fauna found in the area;

(vii) whether it is a habitat for migrating fauna or forms a breeding ground for them; and

(viii) any other feature of the area relevant to the proposal.

5. If the project for which forest land is required involves displacement of people or requires raw material from any forest area the details of proposals for their rehabilitation and procurement or raw material, respectively should be furnished.

6. Proposed steps to be taken to compensate for the loss of the forest area, the vegetation and wildlife.

7. Detailed opinion of the Chief Conservator of Forests/Head of the Forest Department concerned covering the following aspects, namely:—

(i) out-turn to timber, fuelwood and other forest produce from the forest land involved;

(ii) whether the district is self-sufficient in timber and fuel wood; and

(iii) the effect of the proposal on,—

(a) fuelwood supply to rural population;

(b) economy and livelihood of the tribals and backward communities;

(iv) specific recommendations of the Chief Conservator of Forests/Head of the Forest Department for acceptance or otherwise of the proposal with reasons thereof.

Certified that all other alternatives for the purpose have been explored and the demand for the required area is the minimum demand for forest land.

Signature of the authorised,
officers of the State Govt./authority.

N. B.—While furnishing details of flora and fauna, the species should be described by their scientific names.
